October Quarterly Report (8/26/04 - 9/30/04)

12-Day Pre-General Election Report (10/1/04 - 10/13/04)

Dear Ms. Brady,

**October Quarterly Report:**

Regarding contributions received after the primary that are designated for the primary. These contributions were reported incorrectly due to a data entry error. This report has been amended to reflect changes made. We have made changes in our procedures to insure that this does not happen again.

Regarding contributions to a federal candidate committee, we have amended our report to provide the necessary information including office sought, state, and district.

Regarding incorrect Column B figures for Lines 7(a), 7(c), 17, 21 and 22 of the Summary and Detailed Summary Page information, we discovered a data entry error going back to the July 2003 Quarterly Report that caused the aggregate amounts to be incorrect. We have amended that report and all subsequent reports (October 2003, Year End 2003, April 2004, July 2004, Pre-primary 2004, October 2004, Pre-general 2004, and Post-general 2004) to properly reflect the aggregate amounts. Those reports were filed today.

**12-Day Pre-General Election Report (10/1/04 - 10/13/04)**

This report was amended to reflect the proper aggregate amounts. The amended report was filed today.

I believe this corrects all problems with these two reports. I apologize for the data entry errors. It is my intention to develop additional procedures to insure that such errors do not occur again.

Sincerely,

*Marlys Mataszek*
